

PATENT  
ATTORNEY DOCKET NO. STEM1110-5

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: Twardzik et al.  
Serial No.: 10/050,190  
Filed: January 15, 2002  
Title: TGF- $\alpha$  POLYPEPTIDES, FUNCTIONAL FRAGMENTS AND METHODS OF  
USE THEREFOR

Art Unit: 1647  
Examiner To be assigned

#5

INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 CFR 1.97, enclosed is a list of references relating to the above-identified application. For the convenience of the Examiner, these references are listed on the attached Form PTO-1449.

In accordance with 37 C.F.R. 1.97, Applicant brings to the Examiner's attention the related parent patent application, U.S. Serial No. 09/641,587 filed August 17, 2000, which is relied upon for an earlier filing date under 35 U.S.C. § 120. As the references on the enclosed Form PTO-1449 were submitted in an application relied upon for an earlier filing date, copies of the cited references are not enclosed, pursuant to 37 CFR 1.98(d). Copies of the documents will be found in the above-referenced parent application.

**CERTIFICATION UNDER 37 CFR §1.8**

I hereby certify that the documents referred to as enclosed herein are being deposited with the United States Postal Service as first class mail on this date, November 21, 2002 in an envelope addressed to:  
Commissioner for Patents, Washington, D.C. 20231.

PATENT  
Attorney Docket No.: STEM1110-5

It is respectfully requested that these references be considered in the examination of this application and their consideration be made of written record in the application file.

This Information Disclosure Statement is being filed prior to receipt of a First Office Action on the merits. Therefore, no fee is deemed necessary. However, the Commissioner is hereby authorized to charge any amounts required by this filing, or credit any overpayment, to Deposit Account No. 50-1355.

Respectfully submitted,
